

This is in response to Papers 04/22/09.

I. The response filed on 04/22/09 is improper and considered as non-responsive and abandoned the originally filed considered, searched and examined “developer” invention as claimed by itself with regardless of the newly insert “method” invention of use of the processing steps for using the self abandoned “developer” invention.

II. However, applicant, assignee and their counsel is reminded and given one chance to change their minds for not abandoning the application by insert at least one ---developer--- invention claim. Otherwise, an abandonment note will be sent to applicant in the next Office action.

III. The reply filed on 04/22/09 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): The “developer” invention as originally filed, considered, searched, examined, rejected with the applied references on the record is omitted and abandoned by applicant, assignee and their counsel on the record in the amendment filed on 04/22/09. See 37 CFR
